Dear Friends and colleagues

Greetings. **It gives me great pleasure to announce that we managed to get an extension for the project till April 2020.** It was not easy but we managed to convince Brussels with the need to do so for another six months which should give us a bit of a breathing space but not too much. We of course had to re plan on our side for the whole project. We will need to discuss the new timeline and logical framework with Leicester on the 6th of December when we next meet in Cairo at AUC. For now we will share an alternative plan only for the case study process and then we will send you the full revised plan with reviewed indicators after our consultation with Leicester.

Attached is the new time line for case studies.

Warm regards
Malak
