Dear Friends and colleagues

Greetings. Hope you all enjoyed your Easter break. In the spirit of increasing the visibility of our project I am suggesting we all add the link of the project website to our signatures as i have done below, and also since we are now inviting external viewers to visit the website it is useful to do so. Please spread the link to your networks as widely as possible.

With regard to the National Erasmus Office NEO monitoring visit that will take place this coming Thursday at AUC, attached is the agenda, list of participants and an information sheet that was requested by them. For those Egyptian Participants who will participate please come through the Pepsi gate 4 to reach the PO20 meeting room in the conference area of the new campus.

Warm regards  
Malak Zaalouk
