Dear Friends and Colleagues

Greetings. We are slowly reaching the end of this journey for now, as we finalize the final report. Just a few more steps to go. A major condition of the EACEA, as you will have noticed in the training video sent to you earlier, is for us to share a draft final report with all our partners. You will find attached a draft technical report for your comments by **May 30** as well as a summary financial report. An email will follow soon with an individualized financial report for each partner to review and confirm as well as declare their contributions in cost sharing.

Keep safe

Warm regards

--
